

**A leading business media company
providing up to date business intelligence
reports on the world's industries**

Acquisdata is a business intelligence and financial publisher, creating financial news and research on the world's leading companies, with a focus on the leading industries in the G20 nations. Our Industry SnapShot, Company SnapShot and Executive SnapShot products provide timely information on the leading industries in today's global economy.

A leading business media
company providing up to date business
intelligence reports on the
world's industries

Industry Snapshots

Industry Snapshots keep our subscribers and readers informed about top financial and business developments in a range of industries around the globe. Each report is updated weekly, containing the latest business or industry developments, financial results, corporate news, industry research and in-depth industry overviews. Each Industry SnapShot report contains the following sections: • News and Commentary • Media Releases • Latest Research • The Industry • Leading Companies in the Industry

Industry Snapshots Summary Edition

Industry Snapshots Summary Edition is a one page summary of the contents of each full Industry SnapShot report. The summary edition is produced simultaneously with each full report.

Company Snapshots

Company Snapshots keep our subscribers and readers informed about top financial and business developments in a range of companies around the globe. Each report is updated as developments occur, containing the latest corporate or industry developments, financial results, key financial data, competitor comparisons, company news, and industry background. Coverage includes companies from the industry sectors covered by our Industry Snapshots product. Each Company SnapShot report contains the following sections: • Latest Financial Announcement • Company Profile • Competitors • Key Financial Data • The Industry

Executive Snapshots

Each Executive SnapShot consists of a 15 to 20 minute video interview with a senior executive of a leading company in a key industry sector. The Executive SnapShot contains biographical details on the executive, background on the company, background on the industry in which the company operates, and links to relevant websites and documents
